EXPERIENCE

Premier Accounting & Associates
2018 - 2021
Enhanced system reliability and data controls, factoring in current financial and information-handling structures. Educated clients on how to reduce tax liabilities and improve resource utilization. Oversaw comprehensive accounting systems, including accounts payable and receivable, payroll, investment tracking, enhanced system reliability and data controls. Reconciled and maintained all accounts and financial sheets.

Cortes Enterprises
2009-2018
Performed year-end reconciliations and process tax forms. Maintained control of accounts and records in disbursements, expenses, tax payments, and income. Processed payroll accurately and to meet tight deadlines. Assisted in maintaining and coordinating accounting control policies and procedures. Prepared reconciliations of general ledger to subsidiary accounts, accruals, adjustment journal entries, accounting reports and special reports.
